Supplies Needed:

- **Cardstock/DSP:** Pretty Peacock, Lemon Lolly, Fresh Freesia, Basic White, Fresh Freesia Two-Tone
- **Stamp Sets and Die:** *Coneflower Celebrations and Elements of Text* stamp sets, *Spotlight on Nature and Coneflower Celebrations Die Cuts*
- **Ink and Blends:** Pretty Peacock Classic Stampin' Pad, Blends: Lemon Lolly
- **Tools & Adhesives:** Stampin' Seal Adhesive, Bone Folder, Cut & Emboss Machine, Sanding Block, Paper Trimmer, Stampin' Dimensionals, Acrylic Blocks

Cutting Measurements:

- **Card Base (Pretty Peacock):** 4-1/4" x 11", scored at 5-1/2"
- **Basic White:** 4" x 5-1/4"
- **Fresh Freesia Two-Tone (die cut, crumpled, and sanded):** 4-1/2" x 4-1/2"
- **Lemon Lolly scrap** (to stamp and die cut)
- **Inside Card Layer (Basic White):** 3-3/4" x 5", coordinating cardstock to mat (Fresh Freesia): 3-7/8" x 5-1/8"

Instructions:

1. Fold the Pretty Peacock cardstock on the score line to form card base.
2. Adhere Basic White to card front.
3. Stamp sentiment in Pretty Peacock ink on Fresh Freesia Two-Tone cardstock. Run Fresh Freesia Two-Tone cardstock through Cut & Emboss Machine with the largest circle from the Spotlight on Nature dies. Crumple, flatten out and repeat until you are satisfied with the texture and look. Lightly sand and adhere to card front.
4. Stamp the butterfly image from Coneflower Celebrations in Pretty Peacock ink on Lemon Lolly scrap. Die cut using Cut & Emboss Machine. Color as desired with Stampin' Blends alcohol markers and adhere to the card front with Stampin' Dimensionals.
5. Stamp sentiment on card front with Pretty Peacock ink.
6. For the inside, adhere the Basic White panel onto the Fresh Freesia mat as desired and then adhere to inside of card.

Tips for Success:

- ✓ **Sand Gently, Then Build Intensity** Start sanding lightly with a sanding block and build up the effect gradually. Too much pressure at once can tear the softened paper or remove more than desired. Work in circular or crosshatch motions for a natural worn look.
- ✓ **If making multiples,** prep all cardstock and mats first for quicker assembly.
