## Supply List:

- **Cardstock/DSP:** Basic White, Thick Basic White, Night of Navy
- **Stamps/Masks & Ink:** Layers of Beauty stamp set with coordinating masks/stenciles, The Right Words stamp set; Night of Navy, Highland Heather, Soft Sea Foam, Mossy Meadow Classic Stampin' Pads
- **Adhesives & Tools:** Paper Trimmer, Grid Paper (to protect the work surface while using Blending Brushes), Blending Brushes, Bone Folder, acrylic blocks, Simply Scored Scoring Tool
- **Embellishments:** Wink of Stella

## Instructions: (all measurements are in inches)

1. **Create the Card Base** - Cut Thick Basic White cardstock to 4-1/4" x 11" and score at 5-1/2". Fold and crease with a Bone Folder to form a top-folding card base.
2. **Stamp the Focal Image** - On the card front, stamp the large floral image from the *Layers of Beauty* stamp set in **Night of Navy** ink, centered but off the right of the card base. This will be your main image.
3. **Stamp the Sentiment** - Using the *The Right Words* stamp set, stamp the "Happy Birthday" sentiment in **Night of Navy** in the lower left corner, just under the floral image.

**4. Color Using the Masks/Stencils** - Position the coordinating *Layers of Beauty* masks over the stamped floral image, one at a time. Using Blending Brushes, apply the following inks through each stencil layer:

- **Flowers:** Highland Heather and Night of Navy
- **Leaves:** Soft Sea Foam and Mossy Meadow

Gently blend to add dimension while keeping each layer crisp.

**5. Add Score Lines (Stripes)** - Place the card front on the Simply Scored Scoring Tool.

- Start from the left edge and score the first line across the entire width.
- Score the next line 1/4" below the first, going slightly less across.

- Continue scoring 1/4" apart, each time stopping a little sooner, until you have 8 total scored lines creating a stair-step effect. This adds texture and visual "stripes."

**6. Add Shimmer** - Apply **Wink of Stella** over the rose petals in the focal image for added shine and sparkle.

**7. Stamp & Layer the Inside Panel** - Stamp three leaf images from *Layers of Beauty* in **Mossy Meadow** in the lower right corner of the Basic White inside panel (3-3/4" x 5").

**8. Adhere the Inside Layers** - Layer the stamped Basic White panel onto the Night of Navy mat (3-7/8" x 5-1/8") and adhere them to the inside of the card base.

**Tips from the crafting table:**

- When using the *Layers of Beauty* masks, keep everything aligned by using **Post-It tape or low-tack painter's tape** to hold the stencil in place. This prevents shifting and gives you crisp, clean blends—especially when working on a card base instead of a panel.
- If you're unsure whether to **score before or after ink blending**, try both on a scrap first. Scoring beforehand gives you subtle guidelines that can help with layout and masking alignment, while scoring afterward provides clean, uninterrupted ink blending. Either way works—it's just a matter of the look you prefer!
