Supply List:

- **Cardstock/DSP:** Azure Afternoon, Basic White, Pretty Peacock, and Basic Black cardstocks; Lights of Aurora Designer Series Paper (DSP)
- **Stamps/Die Cuts & Ink:** Light & Wonder tamp set with coordinating die cuts; Memento Tuxedo Black Ink
- **Adhesives & Tools:** Paper Trimmer, Bone Folder, acrylic blocks, Mini Cut & Emboss Machine, Take Your Pick Tool, Adhesives of choice (glue, tape roller, glue dots)
- **Embellishments:** Wink of Stella and Frosted Iridescent Dots

Instructions: (all measurements are in inches)

1. Start with a piece of **Azure Afternoon cardstock** measuring 4-1/4" x 11". Score at 5-1/2" and fold in half to create a landscape card base.
2. Cut a panel of **Lights of Aurora Designer Series Paper (DSP)** to 4" x 5-1/4" and adhere it to the card front.
3. For the fun fold mechanism, cut another piece of **Azure Afternoon cardstock** to 1-1/4" x 11". Score at 2-3/4", 5-1/2", and 8-1/4". Fold in a valley-mountain-valley pattern.

4. Prepare two **Basic White panels**, each measuring 4" x 5-1/4". To the top of each panel, adhere a strip of DSP cut to 1" x 5-1/8", leaving a thin border of white showing at the top and sides.
5. Attach the fun fold mechanism: on one panel, adhere to the left section of the strip about 1/2" below the top DSP. On the other panel, adhere to the right section of the strip the same way. Apply adhesive to the back of one panel and adhere it inside the card, then close the card to line up and adhere the opposite panel. When opened, the strip will accordion out inside the card.
6. Cut two squares of **Azure Afternoon cardstock** measuring 2-1/4" x 2-1/4". Layer **Basic White squares** cut to 2-1/8" x 2-1/8" to the Azure Afternoon, then top with **DSP squares** cut to 2" x 2". Attach these to the inside of the card, covering and accenting the ends of the fun fold strip.
7. Stamp the sentiment "Wishing You a Year of" and "Magic" from the **Light & Wonder stamp set** in Memento Tuxedo Black on two strips of Basic White measuring 1-1/8" x 2-5/8". Adhere each phrase to the last two sections of the fun fold mechanism inside the card.
8. Using the **Light & Wonder Dies** with the Mini Cut & Emboss Machine, cut mountains from **Basic Black cardstock** and small pine trees from the same set. Add snowy caps cut from **Pretty Peacock cardstock** to the mountains. Adhere the mountains to the card front over the DSP background. Brush the snow with Wink of Stella for a subtle shimmer.
9. Trim and attach the pine trees so they fit neatly inside the DSP squares of the fun fold mechanism, one on each side.
10. To finish, add seven **Frosted Iridescent Dots** to the card front using the Take Your Pick Tool for a sparkling touch.
