Supply List:

- **Cardstock/DSP:** Basic Beige and Crushed Curry cardstocks; Gathering Together Specialty Designer Series Paper (DSP)
- **Stamps/Die Cuts & Ink:** Gathering Moments stamp set with coordinating die cuts; Early Espresso Classic Stampin' Pad
- **Adhesives & Tools:** Paper Trimmer, Bone Folder, acrylic blocks, Cut & Emboss Machine, Take Your Pick Tool, Adhesives of choice (glue, tape roller, glue dots), Dimensionals
- **Embellishments:** Early Espresso Linen Thread and Cajun Craze & Gold Dots

Instructions: (all measurements are in inches)

- 1. Create the Mosaic Panel** - Cut a piece of **Painterly Pears DSP** to **3-3/4" x 3-1/4"**. Using a Paper Trimmer, slice the panel into chunky triangle pieces. Arrange and adhere these pieces onto a **Secret Sea cardstock** panel cut to **4-3/8" x 3-1/2"**, leaving a small gap between each for the mosaic look.
- 2. Build the Card Layers** - Adhere the completed mosaic panel toward the right side of a **Cloud Cover cardstock** piece measuring **5" x 3-3/4"**. Then, adhere this entire layer to a **Thick Basic White card base** cut to **5-1/2" x 8-1/2"** and scored at **4-1/4"**.
- 3. Create the Sentiment** - Stamp "Thank You" from the **Perfectly Pears stamp set** onto a scrap of **Basic White cardstock** using **Secret Sea ink**. Punch it out using the **Modern Oval**

Punch. Use **Stampin' Dimensionals** to attach the sentiment to the upper right of the mosaic panel, allowing it to slightly overlap the layers.

4. Add the Focal Image - Die cut a pear and stem/leaves from the **Painterly Pears DSP** using the **Perfectly Pears dies**. Attach them just beneath the sentiment using **Dimensionals**.

5. Embellish - Tie a small knot in a 5" piece of **Mossy Meadow & Gold Ribbon** and attach it below the sentiment with a **Mini Glue Dot**. Trim as needed.

6. Complete the Inside - Layer a piece of **Basic White cardstock** (4-7/8" x 3-5/8") onto **Cloud Cover** (5-1/8" x 3-7/8") and then onto **Secret Sea** (5" x 3-3/4"). Add a **1/2" x 4-7/8"** strip of **Painterly Pears DSP** along the bottom

of the white panel before or after adhering the full piece inside the card.

7. Don't Forget the Envelope - Cover the envelope flap with matching **Painterly Pears DSP** for a coordinated finish.

Tips from the crafting table:

- When cutting your DSP into triangles, don't overthink it! Chunky, uneven pieces give the mosaic more charm and movement. Just keep the points away from the very edges so you have space to build a balanced layout.
