Supply List:

- **Cardstock/DSP:** Basic White, Secret Sea; Florals in Bloom Designer Series Paper (DSP)
- **Stamps/Die Cuts & Ink:** Paper Tags stamp set; Stylish Shapes die cuts; Secret Sea Classic Stampin' Pad
- **Adhesives & Tools:** Paper Trimmer, Bone Folder, acrylic blocks, Cut & Emboss Machine, Take Your Pick Tool, Adhesives of choice (glue, tape roller, glue dots), Dimensionals, Gathering Leaves Embossing Folder
- **Embellishments:** Low-Profile Sparkle Dots

Instructions: (all measurements are in inches)

1. Begin by creating a card base using Secret Sea cardstock (5-1/2 x 8-1/2, scored and folded at 4-1/4). Orient the card base in landscape position.
2. Adhere Basic White cardstock (4 x 5-1/4) to the card front using your preferred adhesive.
3. Emboss a panel of Secret Sea (3-7/8 x 5-1/8) using the *Gathering Leaves Embossing Folder* with the *Cut & Emboss Machine*. Adhere embossed panel to the Basic White layer.

4. Adhere strip of *Florals in Bloom* Designer Series Paper (DSP) in the Cloud Cover striped pattern (1 x 5-1/2) horizontally across the embossed panel, placing it roughly one inch from the bottom of the card front.
5. On a scrap piece of Basic White cardstock, stamp the sentiment “It’s a Wonderful Day to Celebrate You” from the *Paper Tags* stamp set in Secret Sea ink. Die cut the sentiment using the 2-3/4" circle die from the

Stylish Shapes Dies set. Pop the sentiment up on the card front using Stampin’ Dimensionals, placing it slightly left of center and overlapping the DSP strip.

6. Using the *Take Your Pick Tool*, embellish the card front with five *Low-Profile Sparkle Dots* in Secret Sea. Alternate between small and large dots, arranging them in a circular shape along the right edge of the sentiment circle to mimic its form and create balance.

7. For the inside of the card, adhere Basic White panel (4 x 5-1/4) to inside of the card. Add a coordinating strip of the same striped DSP (1/2 x 4) along the right-hand edge of the panel to complete the card.

Tips from the crafting table:

- Lightly mist your cardstock with water before running it through the *Cut & Emboss Machine* with a 3D embossing folder like *Gathering Leaves*. This softens the fibers and helps deepen the embossed impression without cracking the paper.
- When die-cutting sentiments using stitched shapes like the *Stylish Shapes* circle, use a bit of washi tape or a Post-It note to hold the die in place before running it through. This keeps everything perfectly centered and ensures that the stitching is even all around.
